LEAP PRESCHOOL

Our multifaceted Naomi's Village ministry in Kenya includes LEAP Preschool, founded in 2017. LEAP stands for Literacy, Exploration, Academics, Play.

Every year, one-hundred toddlers coming from Naomi's Village Home and underprivileged community families attend LEAP together. LEAP's beautiful campus provides a respite from the effects of daily poverty along with a literacy-rich, play-focused environment that prepares these students for kindergarten.

Early childhood offers a precious opportunity for rapid brain growth and development. Understanding this fully, LEAP's professionally trained teachers engage students in healthy play, reading circles, academic activities, and excursions to zoos and museums. During two rich years at LEAP, our bright and optimistic preschoolers gain a strong foundation for a lifetime of successful learning.

LEAP MONTHLY OPERATIONS

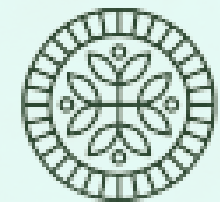

LEAP funds monthly operations through child sponsorships, which help empower high-potential children to reach once unattainable dreams. Child sponsors also form relationships with their students that further enhance their learning experiences.

Yet every January, LEAP faces a unique challenge. Fifty new and unsponsored 3-year-olds replace an outgoing class of sponsored 5-year-olds, creating a seasonal funding gap. Our sponsorship model requires time for these little ones to settle in before they are paired with individuals and families.

Your one-time or monthly recurring gifts during the crucial first 6 months of each calendar year can positively affect LEAP's provision of excellent care for all of its children. By helping bridge this budgetary gap while new sponsors join our team, you will have impacted the trajectories of 100 young lives!
